## Randolph's Salon Monday Madness

Have you ever wondered why many hair salons are closed on Monday's? We have, and decided to do something about it! Beginning May 1<sup>st</sup> both Randolph's Salons will be open on Monday's from 11 a.m. to 7 p.m. We understand that in today's busy world convenience is the key to excellent guest service. Our extended hours are just another part of Randolph's promise to be "bigger, better, different."

To celebrate Randolph's is hosting "Monday Madness." We are inviting new guests to enjoy ½ off their haircut on Monday's from May thru September.

Look for us next to the new JCPenny's in White Lake Fall of 2009. With over forty talented stylists we're "What you've been waiting for."
